This function will be heavily subsidised so it has to be by pre purchased ticket for Club members, partners and invitation for invited guests.

Santa has been contacted and will make an appearance for the benefit of the younger members. If you are bringing a youngster who is under 12 please advise Pat so we can ensure that Santa has something in his bag for them.

We will have a shared function room but we can present any awards and run our usual giant raffle.

Warning bring plenty of change for the raffle.

Be aware that there are lots of renovations taking place at the Workers Club please be careful we don't want any one hurting themselves

There will be seating for 50 people only so we can't cope with any surprises
